**ABSTRACT SUBMISSION GUIDELINES**

---

**INTRODUCTION**

The PRiSM 10<sup>th</sup> Annual Meeting welcomes the submission of abstracts for original contribution to the field of pediatric sports medicine on all topics, including (but not limited to):

ACL	OCD Knee
Bone Stress*	Opiates
Concussion*	Outcome Measures
Elbow*	Paralympic
Female Athlete*	Patellofemoral Instability*
Foot/Ankle	Rehabilitation*
Hip Disorders*	Shoulder Instability*
Injury Prevention*	Sleep
Meniscus*	Spine Spondylolysis*
Motion Analysis*	Sports Specialization*
Multi-Ligament Knee*	Tibial Spine*
OCD Elbow	Ultrasound*

\*Indicates a current PRiSM Research Interest Group

Please review this information carefully and submit your abstract in accordance with these guidelines. The PRiSM Scientific Program Committee reserves the right to decline any abstract that does not meet the requirements outlined below.

**ABSTRACT SUBMISSION DEADLINE**

The deadline for abstract submission for the PRiSM 10<sup>th</sup> Annual Meeting is **Monday, June 27, 2022 at 5pm EST.**

Submit online: <https://owpm1.com/abstracts/PRISM/>

**GENERAL ABSTRACT GUIDELINES**

1. Abstracts must be in English.
2. Abstract titles must be in ALL CAPS.
3. The maximum number of words is 400, including headings, but not including author names and institutions (please see Abstract Submission Process section below).

4. After review, the Scientific Program Committee will make the final decision as to an abstract's format of podium, poster or e-poster presentation.
5. Generic drug and device names may be used, but commercial (product, brand) drug and device names are not allowed anywhere in the presentation.
6. Authors may edit and modify their online abstract submission until the abstract submission deadline (**Monday, June 27, 2022**).
7. Abstracts published before the submission deadline are not eligible for presentation at the PRiSM Annual Meeting.
8. Presenters of accepted abstracts are only allowed to present a **maximum of two (2) podium presentations and one (1) poster presentation**.

### **ABSTRACT SUBMISSION PROCESS**

Abstracts will be submitted online. You may upload a separate image file, with a maximum of (2) images in the document. The file may not exceed 4MB (.doc). For each submission, two references (AMA style) are required.

### **ABSTRACT REVIEW AND SELECTION**

Each abstract will be blinded and reviewed by members of the Scientific Program Committee. The Scientific Program Committee is composed of a multi-disciplinary group of PRiSM members. Final decisions are made on a numerically based average score.

Review of abstracts is based on the following criteria:

- Scientific/clinical originality
- Scientific/clinical quality
- Relevance to the field
- Ability to generate interest among meeting attendees

The Scientific Program Committee reviews will result in a recommendation for acceptance or regrets. Presenting authors will receive notification of acceptance or regrets by email in early August.

Abstracts must be relevant to pediatric sports medicine. To be considered for presentation, it should include/pertain/relate to a pediatric/adolescent population (explicitly or primarily) **and one** of the following should be met:

- population includes youth engaging in physical activity
- outcome measure includes Return to Activity
- is a sports related injury/surgery/condition

### **ACCEPTED ABSTRACTS**

All presenting authors of abstracts (oral and poster) must register and attend the 10<sup>th</sup> Annual Meeting and pay applicable fees.

## **AWARDS**

Accepted abstracts may qualify for PRISM awards:

- Hank Chambers Award for Best Scientific Paper
- Kevin G. Shea Award for Best Scientific Poster
- Mininder S. Kocher Award for Most Promising Career
- Inclusion and Equity Abstract Award
