Please review this information carefully and submit your abstract in accordance with these guidelines. The PRISM Scientific Program Committee reserves the right to decline any abstract that does not meet the requirements outlined below.

ABSTRACT SUBMISSION DEADLINE

The deadline for abstract submission for the PRISM 7th Annual Meeting is **June 30, 2019, 11:59pm CDT**.

Submit online: <https://prism.execinc.com/edibo/Abstracts20>

GENERAL ABSTRACT GUIDELINES

1. Abstracts must be in English.
2. Abstract titles must be in ALL CAPS.

3. The maximum number of words is 400, not including author names and institutions.
4. After review, the Scientific Program Committee will make the final decision as to an abstract's format of podium, poster or e-poster presentation.
5. Generic drug and device names may be used, but commercial (product, brand) drug and device names are not allowed anywhere in the presentation.
6. Authors may edit and modify their online abstract submission until the abstract submission deadline **(June 30, 2019)**.
7. Abstracts published before the submission deadline, are not eligible for presentation at the PRISM Annual Meeting.
8. Presenters of accepted abstracts are only allowed to present a **maximum of two (2) podium presentations and one (1) poster presentation**.
9. Abstracts may only be uploaded as a word document, including any tables and figures. View an abstract template [HERE](#).

ABSTRACT REVIEW AND SELECTION

Each abstract will be blinded and reviewed by members of the Scientific Program Committee. The Scientific Program Committee is composed of a multi-disciplinary group of PRISM members. Final decisions are made on a numerically based average score.

Review of abstracts is based on the following criteria:

- Scientific/clinical originality
- Scientific/clinical quality
- Relevance to the field
- Ability to generate interest among meeting attendees

The Scientific Program Committee reviews will result in a recommendation for acceptance or regrets. Presenting authors will receive notification of acceptance or regrets by email in early August.

ACCEPTED ABSTRACTS

All presenting authors of abstracts (oral and poster) must register and attend the 7th Annual Meeting and pay applicable fees.
